Messrs.
National Securities Commission

Ref.: Extension of Exploitation Concessions in the Province of Mendoza

Dear Sirs,

In compliance with the requirements set forth in section No. 2 of Chapter XXI of the Regulations of the *Comisión Nacional de Valores* ("National Securities Commission"), we inform you that within the bidding of companies that hold exploitation concessions made by the Province of Mendoza through Provincial Decree No. 1547/10, YPF S.A. (hereinafter "YPF") entered into the Memorandum of Agreement provided under such regulation (hereinafter, the "Memorandum of Agreement"), in order to extend the original terms of the exploitation concessions identified below and to extend YPF's transport concessions in the Province following the expiration of their original terms. The Memorandum of Agreement will become effective upon its approval by the Executive Power, through a decree, within a maximum period of 90 days.

In connection with the above, we inform you that Provincial Decree No. 1.465/11, which approved the Memorandum of Agreement, was published in the Official Gazette No. 28.930 of the Province of Mendoza on July 4, 2011.

The Memorandum of Agreement entered into by YPF and the Province of Mendoza establishes the following provisions, among others:

- Concessions involved: El Portón, Barrancas, Cerro Fortunoso, El Manzano, La Brea, Llancañelo, Llancañelo R, Puntilla de Huincán, Río Tunuyan, Valle del Río Grande, Vizcacheras, Cañadón Amarillo, Altiplanicie del Payún, Chihuido de la Sierra Negra, Puesto Hernández and La Ventana, which as of December 31, 2010 jointly represented approximately 9% of YPF's total proved reserves.
 - Extension of concession terms: exploitation concession terms originally expiring in 2017 are extended for a 10-year term, which means that they will expire in 2027.
-

- Pursuant to Provincial Decree No. 1547/10 and 3089/10, YPF undertook the following commitments upon the execution of the Memorandum of Agreement: i) to make, on the dates specified in the Memorandum of Agreement, an initial payment for the amount set forth therein; ii) to pay the Province an "Extraordinary Production Royalty". In addition, the parties agreed to make additional adjustments in the event of extraordinary income as a result of lower export duties or higher average monthly prices for the sale of crude oil and/or natural gas in accordance with the criteria and reference values established in the Memorandum of Agreement; iii) to carry out exploration activities and make certain investments and expenditures, as stipulated in the Memorandum of Agreement, on the exploitation concessions that constitute the subject-matter of the Memorandum of Agreement; iv) to make a "Corporate Social Responsibility" contribution in the Province of Mendoza, which must be made effective in the same timeframe, terms and conditions as the initial Payment. The purpose of such contribution will be to collaborate with the Province in the promotion of education, health, sport, culture, facilities and community development; v) prioritize the recruitment of local companies and suppliers and to promote their creation and development through the activities set forth in the Memorandum of Agreement, in order to strengthen the economy and the quality of life of the population of the Province, and vi) pay annually a donation in the amount established in the Memorandum of Agreement to the Fund for Institutional Strengthening, for the purchase of equipment, staff qualification, training and motivation, logistics and operational expenses of the Environmental Secretariat, the Hydrocarbons, Mining and Energy Undersecretariat, and other authorities involved in the implementation, monitoring and control of the concession extensions awarded under Law No. 7526, Decree No. 1547/10 and herewith.

Yours sincerely,

On behalf of YPF S.A.
