TRANSLATION

Autonomous City of Buenos Aires, November 7, 2013

To the
Bolsa de Comercio de Buenos Aires
(Buenos Aires Stock Exchange)

**Ref: Investment agreement in the Rincón
de Mangrullo area.**

Dear Sirs:

The purpose of this letter is to comply with the requirements of Article 23 of Chapter VII of the Buenos Aires Stock Exchange Rules.

In that connection, please be advised that YPF S.A. ("YPF") and Petrolera Pampa S.A. ("Petrolera Pampa") have signed, on November 6, 2013, an investment agreement whereby Petrolera Pampa agrees to invest US\$151.5 million in exchange for a 50% participation in the hydrocarbon production of the Rincón del Mangrullo area in the province of Neuquén corresponding to the Mulichinco Formation (the "Area"), of which YPF will be the operator.

During a first stage (which is expected to be completed within a term of 12 months), Petrolera Pampa has agreed to invest US\$81.5 million for the drilling of 17 wells and the acquisition and analysis of approximately 40 km² of 3D seismic data. Additionally, YPF will make an equivalent investment for the drilling of 17 additional wells, from which it will have the right to obtain 100% of the hydrocarbons produced.

Once the initial stage of investment is concluded, Petrolera Pampa may elect to continue with a second stage of investment (which is expected to be completed within a term of 12 months) in which case it agrees to invest US\$70 million for the drilling of 15 wells.

Once the two stages are complete, the Parties will have the opportunity to proceed with the investments necessary for the future development of the Area in accordance with their respective percentages of participation (50% each).

Yours faithfully,

Gabriel E. Abalos
Market Relations Officer
YPF S.A
