**Re:** YPF S.A. Celebrates Agreement for the  
Capitalization of YPF Energía Eléctrica S.A.  
with GE Energy Financial Services, Inc.

Dear Sirs:

The purpose of this letter is to comply with the requirements of Article 23 of Chapter VI of the Merval Listing Regulations.

In that connection, we inform you that YPF S.A. (“YPF”) has entered into a memorandum of understanding (the “Agreement”) with GE Energy Financial Services, Inc (“GE”) that sets forth the conditions under which the parties will come to an agreement on the capitalization of YPF Energía Eléctrica S.A. (“YPF EE”).

The Agreement provides that GE intends to make a capital contribution, through a vehicle company, and subscribe shares of YPF EE with the purpose of having a shareholder participation of twenty five percent (25%) of YPF EE’s capital stock. This contribution will allow YPF EE to accelerate the development of its business plan.

Pursuant to the Agreement, and with the goal of implementing the aforementioned, the parties will negotiate the definitive binding documents (subscription agreement and shareholders’ agreement, among others), for their implementation as soon as possible.

Similarly, YPF is in negotiations with a third partner who would subscribe an additional 25% of YPF EE’s shares, in the same terms as those agreed upon with GE.

Currently, YPF EE has a net generation capacity of 1,417Mw, has projects in construction for an additional 755Mw, and is evaluating different projects to continue increasing its generation capacity with a total investment that could amount to approximately 1,300 million U.S. Dollars.

Yours faithfully,

**Diego Celaá**  
Market Relations Officer  
YPF S.A.
